QuickStand® • Eco

GSA CONTRACT

Humanscale's QuickStand Eco is the next generation in portable sit/stand products. Sleeker, easier to use and comprised of more sustainable materials than ever before, this sit/stand product features simple setup, portability and near effortless adjustability. This desk riser is available in laptop, single or dual monitor configurations, and transforms ordinary desktops into healthy, active workspaces.

Humanscale®

Advantages of QuickStand Eco — The Next Generation in Sit/Stand:

- Merges optimal ergonomics with height-adjustable functionality
- Designed with a minimal, clean aesthetic
- Made only with healthy, sustainable materials — Free of Red List Chemicals
- Complements any work space: home or corporate offices, collaborative or hot-desking spaces, check-in areas and more

Features

- Designed to accommodate users of varying heights with 18.6" of work surface adjustment
- Self-locking mechanism provides ultimate stability and functionality
- Work platform provides added sturdiness and is scratch resistant
- Minimal footprint allows for more use of the desktop area
- Monitor height adjustment for correct ergonomic fit
- Affordable workspace wellness solution that will blend into any environment
- Effortless functionality encourages more movement and allows user to move from sitting to standing instantly

Design Story

Humanscale is committed to function, simplicity and longevity. Engineered with minimal parts and long-lasting, high quality materials, QuickStand Eco was designed to look and work as well today as it will 10 years from now.
