Contents:

- M8 Monitor Arm  1
- M8 Clamp Mount  5
- Ball Joint Head and Mounts  6
- M8 Crossbar  8
- M2 Monitor Arm  9
- M2 Desk Mounts  12
- M/Flex  13
- Para/Flex  18

Some components may not be recyclable in your area.
Components for Breakdown

- M8 Dynamic Arm
- M8 Non-Dynamic Arms
- Ball Joint Heads
- M8 Mounts
- M8 Crossbar

Tools Required

- Safety Glasses
- Standard Hex Key Set
- Pliers

Some components may not be recyclable in your area.
1. Assembly Dismanteling

**Step 1**
Remove ball joint screw

**Step 2**
Remove screw to release dynamic arm

**Step 3**
Remove screw to release non-dynamic arm
2. M8 Dynamic Arm

Step 1
Remove plastic covers

Step 2
Remove axl screws

Step 3
Remove pins using hammer and punch to release bottom plate

Step 4
Punch out all bushings

Step 5
Punch out pin to remove numatic cylindar

Step 6
Remove set screw to release link pin

Tools Required

Safety Glasses  Pliers  Metric Hex Key Set

Some components may not be recyclable in your area.
3. M8 Non-Dynamic Arms

Step 1
Remove set screw to release link pin

Step 2
Remove plastic cover

Step 3
Remove screw

Tools Required
- Safety Glasses
- Metric Hex Key Set

Disassembly Instructions

Some components may not be recyclable in your area.
4. M8 Clamp Mount

**Step 1**
Remove screws

**Step 2**
Remove foam

**Step 3**
Remove screw to disconnect from base

**Step 4**
Remove foot from clamping screw by drilling
5. Ball Joint Head Mounts

Remove all screws to disassemble

Tools Required

Safety Glasses
Metric Hex Key Set
5. Ball Joint Head

Remove all screws to disassemble
6. M8 Crossbar

Step 1
Remove screws to release end cap

Step 2
Remove ball joints and cable clips by sliding off the side

Some components may not be recyclable in your area.
Components for Breakdown
